- Healthy blood pressure, blood sugar, and cholesterol levels

MICROBIOME (GUT) HEALTH & WEIGHT MANAGEMENT

BIOME DTX
Biome DTX cleanses and balances the microbiome by eliminating toxins and heavy metals. Its l-glutamine-rich formulation also supports healing of the gut lining to stop the flow of endotoxins that damage and trigger inflammation to vital body systems. This purifying drink is a gateway to a new beginning of Elite Health.

BIOME SHAKE
Biome Shake is a purifying meal replacement shake high in vegetable protein with a blend of antioxidants, vitamins, minerals, amino acids, and beneficial fats from flax seed and borage oil. Biome Shake helps balance and purify your microbiome with broccoli, digestive enzymes, and probiotics. Its 20g of clean vegetable protein per serving also keeps you feeling satisfied and serves as a powerful building block to achieving your weight management and body composition goals. This delicious vanilla shake is certified vegan and gluten free.

BIOME ACTIVES
Biome Actives combines both prebiotic and probiotics to create a favorable environment for beneficial gut bacteria. Providing 1 billion colony-forming units (CFU) of probiotic *Bacillus coagulans* per capsule, Biome Actives helps maintain microbiome balance in the digestive system and supports health detoxification.

BODY PRIME
Body Prime is an effective kick-start to any health regimen. Made with magnesium, prune powder, and apple pectin, this formula has simple ingredients that support cleansing and bowel motility to prime the body for an effective purification program. Body Prime, with its main ingredient, magnesium, has been included in studies demonstrating a positive cardiovascular and muscle system benefit and usefulness in maintaining a healthy electrolyte balance and reducing fatigue.

ENERGY, SPORTS FITNESS & MENTAL CLARITY

PROARGI-9+
ProArgi-9+ is packed with pharmaceutical grade l-arginine, an amino acid that, as recognized by the Nobel Prize in Medicine, the body converts to nitric oxide to help enhance blood circulation to vital organs throughout the cardiovascular system. Formulated in collaboration with leading l-arginine researchers and cardiovascular specialists, ProArgi-9+ may help energy levels, stamina, muscle growth, and immune function. It may also help maintain healthy blood pressure and blood sugar levels and reduce adipose tissue body fat.

E9
e9 offers you a healthy alternative to naturally boost your energy from natural caffeine from guarana, a powerful blend of l-arginine and other amino acids, and B-vitamins. Its unique low-calorie formulation gives you long-lasting energy, increased alertness and cognitive capacity, and increased physical performance, and then lets your energy gradually subside without experiencing that sudden crash. Great tasting Tropical Burst flavor.

HEALTHY BLOOD PRESSURE, BLOOD SUGAR & CHOLESTEROL LEVELS

BIOME BALANCE
Biome Balance's berberine is a nature extract of Indian barberry root that supports gut health and microbiome balance by combatting endotoxins which can interfere with gut performance and glucose metabolism. Berberine also supports healthy insulin response and healthy cholesterol and triglyceride levels.

METABOLIC LDL
Metabolic LDL combines bergamot orange extract with a proprietary blend of high-ORAC antioxidants that help support healthy total cholesterol and triglyceride levels. It works by blocking an enzyme the liver needs to produce LDL cholesterol. This unique and powerful herbal formula helps modulate cholesterol oxidation and maintain healthy cholesterol levels.

OMEGA-3
Omega-3 is a natural triglyceride fish oil concentrate containing essential fatty acids that are not synthesized by the body and must be obtained through diet or supplementation. Omega-3 supports cardiovascular function, brain health, positive mood, and healthy circulatory function. It gives you all the benefits of high-grade fish oil without the fishy taste!
